Safety data sheet

RDInducoat BV

RDInducoat Hydrowax GREEN.
Version 1.1 EN 1

Date 22/03/2010
Revisiondate :

1. Identification of the substance/preparation and of the company/undertaking

Product name and/or code : RDInducoat Hydrowax GREEN.

Manufacturer : RDInducoat BV, PO Box 2776, 3800 GJ Amersfoort, the Netherlands.

Emergency telephone : RDInducoat 033 456 23 94
: Telefax 033 456 25 94

2. Hazards identification

Classification : This product is not classified as dangerous

3. Composition and information on ingredients

This product is not classified to be dangerous according to Directive 1999/45/EC and its amendments.

Components	EINECS / CAS- No	Symbols	R-sentences	Concentration
Not applicable.				

4. First Aid measures.

- Skin and body : Personnel should wear protective clothing.

9. Physical and chemical properties.

- Physical state : Low viscosity liquid.
Colour : Transparent white
Odour : Characteristic odour
Flashpoint : Not applicable
Non-flammable, but will burn upon evaporation of the water contents
No unusual hazards if involved in a fire.
- Specific mass : 1.0 g/cm³ at 20° C
pH : 9.4

10. Stability and reactivity.

Stable under the recommended handling and storage conditions.

Hazardous decomposition products : carbon monoxide, carbon dioxide, oxides of nitrogen and smoke.

11. Toxicological information.

On this preparation itself no data are available. The preparation has been assessed following the conventional method of the

RDINDUCOAT®

safe, simple & ecological

Dangerous Preparations Directive 1999/45/EC and classified for toxicological hazards accordingly.

12. Ecological information.

On this preparation itself no data are available. The preparation has been assessed following the conventional method of the Dangerous Preparations Directive 1999/45/EC and classified for eco-toxicological properties accordingly.

13. Disposal considerations.

Product : Do not allow to enter drains, watercourses or soil. Do not remove with regular waste.
Dispose of according to all state and local regulations.

14. Transport information .

The product is not classified as dangerous according to international transport regulations (ADR/RID, IMDG, ICAO/IATA)

Sea : according to IMDG
Road : according to ADR
Rail : according to RID
Air : according to IATA/ICAO

15. Regulatory information.

Symbols : not applicable.
Risk Phrases : not applicable
Safety Phrases : S 2 Keep out of reach of children
: S 13 Keep away from food, drink and animal feeding stuff.
: S 46 If swallowed, seek medical advice immediately and show this container or label.
VOC value : 0 gram/liter

16. Other information.

Full text of the R-phrases mentioned in section 2

n.a

Designation of the symbols in Section 2

n.a.

Environment : Product is difficult biologically degradable.

The information in this sheet complies with EU regulations.

The information in his sheet is based on the state of technology and applicable national legislation and regulations on the date of issue. The manufacturer reserves all rights to change the contents of this sheet without notice. In case of changes a new sheet will be issued. The user has the obligation to check each time this sheet consulted, to check the date of publication . In case of a publication date older than 1 year user has to check with manufacturer whether the contents of this sheet is still valid.

Since the manufacturer has no control over the actual application conditions of the product, the user bear full responsibility for compliance with applicable legal and regulatory directives.
Final determination of suitability of any material is the sole responsibility of the user; the manufacturer does not accept any liability based on the contents of this Safety Data Sheet.
